

Our Christmas celebration at Most Holy Rosary Church was especially beautiful this year.

So much preparation by so many of you that I hesitate to start naming names for fear I will overlook someone. Instead, I will recognize the groups (I know you will find yourself!).

Thank you to:

.. our Maintenance team for their dedicated efforts keeping our Church clean and all our buildings in good repair;

.. our Altar Care crew for their hours of preparation and setup, starting with the first week of Advent;

.. our Adult Choir whose performances added so much to the 10pm and 10am Masses;

.. our Youth Choir and our pageant performers who did such a beautiful job at the 5:00pm Vigil Mass;

.. our Human Development Committee for organizing and distributing the Christmas food basket and gifts for our needy families;

.. our Benevolent Committee for the wise use of our stewardship funds; and,

.. our Hands & Hearts of Mary women's group for handling the two funeral luncheons we had this past week;

When we all share our talents, we're an unbeatable team! It's never too late to step forward and share **your** time and talent with one or more of our groups.

Wishing you a happy, healthy and faith-filled new year!
