Dear Friends,

So much time and effort went into our ministries for Easter that I would be remiss if I did not mention some of the people who made it happen. Karen Cappellett, Pat Krzyzewski and their teams cleaned the Sacred Space, decorated the altar and arranged the beautiful flowers you see. Darlene and Joe Voltz spent many hours sorting the toiletry items you donated and shopping to make sure the 17 families were provided with hygiene items. Sue Helmer and her talented choir performed Easter Sunday, and Al Hamme added his accompaniment. Robert Henrich arranged and performed a most memorable service on Good Friday.

Thank you also to our Eucharistic ministers, altar servers, lectors, ushers, and collection counters. Your donation of your time and talents is crucial and is appreciated by your fellow parishioners. What a great transition to let you know that our Parish Council has revised our Time and Talent Survey. Please take a few minutes to complete it and drop it in the collection basket today. Volunteer in as many areas as fit your schedule. If you already volunteer in certain ministries, please check them again as we will be compiling new lists. A committee person will contact you with more information regarding the ministries for which you volunteer.

One person who volunteers for several ministries and who gives many, many hours of service to our parish all through the year is George Stephens. He wears many hats and is a true blessing. Give him a pat on the back when you see him!

We will be starting a new Bible Study class on Thursday – April 23rd: ***Introduction to the Bible***. Classes will be held on Thursdays at 10:00 am and again at 7:00 pm. Pick a time that fits your schedule and join us! Sign-up sheet is in the vestibule.

**God Bless You,
Father Clarence.**

Fellowship and dessert will follow in the Parish Hall. All are welcome.

Family Perspective from the Office of Family Life Education (A Hope Appeal Agency):

Notice Jesus came into a house and said, “Peace be with you.” Peace is measured not only by the noise levels in our home; it also depends on the levels of trust, acceptance, forgiveness and respect for one another.
