Dear Friends,

I will be out of town this weekend. Filling in for me will be Father Stanley Gerlock. Please give him a warm welcome.

Next Sunday is World Mission Sunday. United with the Catholics of the world at the Table of the Lord, we recommit ourselves to our vocation, through Baptism, to be missionaries. Our prayers and Eucharistic celebration next Sunday are directed in a special way toward our brothers and sisters who are waiting to hear the joyous "Good News" of Jesus.

Have you noticed we are flying a new flag in front of the Church? Have you also noticed the new fence along our back property line? Both are gifts from our Knights of Columbus Council #11621. This fine group of men helps our parish in so many ways. Their famous monthly breakfast buffets will start again in November. They are always open to new members. To find out more information about the Knights, contact Matt Karp at 642-5335.

**God Bless You,
Father Clarence.**

On Saturday evening - October 17th- we will have Mr. Joe Titti give a presentation on "A Chronological History of the Roman Catholic Church in the United States". The talk will include the first Churches in Broom County. The presentation will take place in the Church Hall following the 5:00 pm Mass, and will last approximately one hour. The K of C will provide pizza and beverages. If you plan to attend, please sign the sheet in the vestibule so that we will have a count for refreshments. Thank you to Frank Kovarick, our Parish Historian, for planning this event!

Please print your information clearly on the front of a plain envelope and drop it in the collection basket. There is a \$10 offering for each candle. All requests should be made by October 29th.

Please remember our **CHOW** barrel. Your donations help local families every week.

Family Perspective from the Office of Family Life Education (A Hope Appeal Agency):

In our family, we are taught to respond to the needs of each other. But it does not stop there. Today's gospel reminds us we have responsibility to our brothers and sisters across the world who are not from our immediate family. Families are designed to be launching pads, not dead ends.
