Dear Friends,

Water, water everywhere! I'm usually telling you that the weather people are always promising these huge storms, but they never deliver. Well, they surely delivered this time! Our buildings did get water, and the fence that the Knights of Columbus built behind the Church was totally underwater, we also lost power for 22 hours, but we were spared any massive damage. Not so with many of our parishioners and neighbors. This is another chance for us all to come together and help when and where we can. Remember, our CHOW barrel. Non-perishable food items are especially needed now.

Please also remember to pray for everyone affected by this deluge. May God keep you all dry and safe.

**God Bless You,
*Father Clarence***

A FAMILY PERSPECTIVE from the Office of Family Life Education (a Hope Appeal Agency):

Unwillingness to forgive another means we are holding onto a past wrong and hoping for a better past. That is not going to happen. We must move on with our life by accepting we were unjustly treated and it will not be corrected. We aren’t condoning the injustice. We just don’t let it control our lives any longer. Forgiveness is critical to living a healthy life in the present.
