

From our Human Development Committee

Whenever we ask, you respond.

Because of your generosity, 35 families enjoyed a traditional Thanksgiving dinner this year.

But, before we even use up the last of the turkey, we must start to think of Christmas.

It seems our CHOW barrel never gets a rest! We will now start to collect for our Christmas families. See the list in the vestibule.

The tags are on our giving tree in the vestibule. The tags may have more than one suggestion per child. This is to give a choice NOT to ask for more than one gift. If you are able to take a tag or two, please wrap the gift and attach the tag to the outside. Wrapped gifts should be returned by Sunday - December 18th.

We only have about a month to make this all happen. Once again, we rely on your generous food, gift, and money donations.

Thank you for your help. May you and your loved ones continue to be sheltered by God's care, and may He continue to richly bless you.
